RULE 2 AGE

Part 1 For the purpose of this association, the age of an individual on December 1st shall be maintained throughout the year.

Part 2 For horse show purposes, any horse shall be considered to be one year old on the first day of January following the actual date of foaling, and one additional year old each succeeding January 1st.

RULE 3

GENERAL REQUIREMENTS

Part 1 Horse Enrollment It is the goal of this association to establish and maintain a yearly record of American Saddlebred Pleasure Horses owned by its members. Horses must be enrolled ANNUALLY with this association at a fee of \$10.00 per horse to obtain points toward a season championship. A member may enroll as many horses as he or she wishes at a charge of \$10.00 per horse. The association will provide any member with an application for enrollment for each horse.

Enrollment is open to stallions, mares or geldings of American Saddlebred breeding and of definite American Saddlebred type. (See Part 2.) In order to help promote thoughtful selection of breeding stock based on good conformation, type and way-of-going, stallions (weanlings & yearlings only if enrolled) will be awarded season points in American Saddlebred Model and Halter classes but are prohibited from showing in any pleasure class.

Part 2 Breed Requirements Competition in American Saddlebred Pleasure, Country Pleasure and Classic Pleasure classes is open to mares and geldings that are registered with the American Saddlebred Horse Association or the Canadian American Saddle Horse Registry. Horses shown in regular member shows of the American Horse Shows Association prior to January 1, 1974 are exempt. Horses must be entered under their full registered name with registration number and under the name of the owner of record with the American Saddlebred Horse Association or the Canadian American Saddle Horse Registry.

Part 3 Show Requirements

Sec. 1 GENERAL

Open to all breeds - Mares and Geldings; Stallions are prohibited except in Weanling and Yearling "In Hand" classes. Horses shown in any class of the Saddlebred Division other than "In Hand" classes are ineligible to show in a Saddlebred Pleasure Horse Class at the same show.

Saddlebred Pleasure horses may, however, enter any class in other divisions for which they are qualified. Horses shown by a professional in any class are ineligible to compete in Saddlebred Pleasure Horse Classes at the same show. Exception: Horses showing in Saddlebred Pleasure In- Hand, Model Classes, American Saddlebred Country Western Pleasure Classes and Hunter Country Pleasure Classes may be shown by a professional in an open breed class and then shown by an amateur in American Saddlebred Pleasure Horse Classes.

Classes may be offered for Saddlebred Show Pleasure Horses, Saddlebred Country Pleasure Horses and Saddlebred Classic Pleasure horses but no horse may cross-enter between Show Pleasure Country Pleasure and Classic Pleasure classes at the same show. Horses may not cross-enter between a Three-Gaited and Five-Gaited Pleasure Class at the same show. Special Classes such as Model, Side-Saddle, Antique Carriage with period costume, Roadster, etc., may be offered for Show Pleasure, Country Pleasure and Classic Pleasure horses which may be shown together provided it is so stated in the prize list. To be shown by an amateur who is no longer eligible to compete as a Junior Exhibitor or by a Junior Exhibitor. Adults and Junior Exhibitors shall not compete in the same class except in restricted classes and championships and at shows where there are an insufficient number of entries to fill two classes.

Entries in all classes must be shown with full mane and tail. Braids and inconspicuously applied hair in mane and tail are permitted in Show Pleasure Classes and "In Hand" Classes, but are prohibited in Country Pleasure and Classic Pleasure Classes. Tails must not be gingered or put in any device (i.e., tail set, bustles or brace), which alters their carriage while on the grounds. Exception: Horses showing in the Show Pleasure division may wear tail sets or bustles, but may not show with the tail tied or braced, and unset tails will not be penalized. Any artificial change of color or markings other than mane or tail is prohibited. Shoe bands and pads are permitted on Show Pleasure Horses. Country Pleasure Horses must be plain shod suitable for trail riding without pads, bands or any device between hoof and shoe. Classic Pleasure Horses must be plain shod, but rim pads, synthetic and natural rubber are allowed. Any lead or other added hoof weights, bands, action devices, artificial hair appliances; tail sets and gingering are prohibited in Classic Pleasure classes. Quarter boots are permitted in five-gaited classes only.

It is imperative that Saddlebred Pleasure Horses give the distinct appearance of being a pleasure to ride. Easy ground covering action is desired. Judges must severely penalize any horse with laboring action. Pulling, tossing head, going sideways and switching tail to be penalized. Special emphasis is placed on a true flat walk. Transitions from one gait to another should be smooth and effortless.

Manners and suitability as a pleasure mount are paramount. Light contact with horse's mouth must be maintained.

During the workout in driving classes a header is permitted in the ring for those entries not participating in the workout. One attendant without whip is permitted to head each horse for safety purposes only during the line up in Driving Classes for Country Pleasure, Show Pleasure and Classic Pleasure. The header may stand an entry on its feet and then three paces back from the horse. Only two attendants, including handler, are allowed in the ring when horses are stripped for conformation.

Stripping of horses is optional in all Under Saddle Classes except State or National Championships in which it is mandatory. It is prohibited in classes under Western Equipment.

Sec. 2 SHOW PLEASURE CLASSES

Braids and inconspicuously applied hair in mane and tail is permitted in Show Pleasure Classes, and "In Hand" Classes. Shoe bands and pads are permitted.

Sec. 3 COUNTRY PLEASURE CLASSES

Braids and hair applied to manes is NOT permitted in Country Pleasure Classes. Country Pleasure horses must be plain shod suitable for trail riding without pads, bands or any device between hoof and shoe.

Sec. 4 CLASSIC PLEASURE CLASSES

The purpose of the American Saddlebred Pleasure class is to create a division to offset the progression that the Country Pleasure division has taken, which has left a void for the not so animated horse and the entry level rider. This class is designed for the horse that would likely not ribbon well in a Country Pleasure American Saddlebred class.

Part 4 APPOINTMENTS Entries must be penalized for incomplete appointments but not necessarily disqualified.

Sec. 1 ENGLISH EQUIPMENT

A full bridle, Pelham or curb bit is recommended. A single snaffle, hackamore, tie-down or martingale is prohibited. The saddle shall be of the English type, leather lining preferred, and girth either leather or web.

In American Saddlebred Hunter Classes, appropriate tack meeting current USEF requirements for the specific type class is acceptable. Hunter style braiding is not required in these classes. Helmet is required for jumping classes.

Informal conservative colored clothing with coat and hat is required for English Equipment Classes. Riders in Hunter, Sidesaddle and Special Classes shall dress appropriate to the type of class entered.

In Classic Pleasure classes Saddleseat equipment and attire is required. A full bridle is required. A Pelham bit is permissible.

Sec. 2 WESTERN EQUIPMENT

Entries shall be shown with a Stock saddle. Any western type headstall without noseband in conjunction with any standard western bit is allowed. A curb chain may be used. Bosals, caveson type nosebands, martingales, and tiedowns are prohibited. Western attire consists of western hat, long sleeved shirt and appropriate trousers, western boots, and chaps. Spurs, rain slicker are optional.

Sec. 3 DRIVING

Entries are to be shown to a two-wheel jog cart with driver only. A light harness with snaffle bit and separate overcheck bit is required. Quarter boots are prohibited. Driver is to dress conservatively (not period attire).

Sec. 4 EQUITATION

Tack and personal attire shall conform to current USEF requirements for the specific equitation seat being shown.

Part 6 "IN HAND" Classes In Hand Classes for Pleasure Horses and prospective Pleasure Horses are encouraged. Entire colts are permitted in Weanling and Yearling classes. Unruly animals must be excused from the ring. Weanlings and Yearlings must be shown barefoot. Two-Year-Olds or over may be shod to conform with Show Pleasure or Country Pleasure Rules.

Part 7 CLASS SPECIFICATIONS Classes may be divided according to sex (Mares or Geldings); size of horse (15.2 and under, and over 15.2); or sex or age of rider, with or without championships. Maiden, Novice, Limit, Junior (4 year old and under) and Owners Classes are recommended in all classifications. SEASON CHAMPIONSHIPS

Eligibility: To be eligible for a high point trophy, each horse, pony, and equitation rider must be enrolled for that year's competition with IASPHA. Fee is per enrollment and published annually. Enrollment Forms are available from the Executive Secretary, or online at <http://www.iaspha.com>.

The individual, family, business, or farm listed on the Enrollment Form as owner of the horse must be a member in good standing of the Association. If more than one owner, all owners must be members in good standing.

Equitation riders may have individual memberships or be included under a family or business membership, but must be in good standing and so listed on the membership application, and be separately enrolled on the Enrollment Form.

When the horse, pony or equitation rider competes at Association shows, it must be entered as enrolled with the Association (same name and ownership).

Points earned after December 1 shall be deemed as earned in the following year.

Paid Members Only: High point trophies are awarded only to members of the Association. Points earned by a contender prior to payment of dues, completion of the Enrollment Form and payment of the enrollment fee shall not count toward high point trophies. Dues, form, and fee may be deposited with the Horse Show Office or a member of the Association's Board of Directors prior to entry into the ring.

Requirements: Points will be given only in classes on the Association's approved class list.

High point trophies are offered only in those classes listed on the Association's High Point Trophy Class list for A and B shows.

Championship and reserve trophies are awarded to the highest point winners that meet the minimum point requirements for that class. In the case of a tie for championship or reserve, trophies will be awarded to each winner.

In the "A" show division, a horse, pony or rider must have placed 5th or better at a IASPHA member show. In the "B" show division, a horse, pony or rider must have placed 5th or better at a IASPHA member show.

Scale of Points: Season trophy points are earned according to the following scale:

FOR "A" RATED SHOWS

- First Place 10
- Second Place 8
- Third Place 6
- Fourth Place 4
- Fifth Place 2

FOR "B" RATED SHOWS AND ACADEMY CLASSES

- First Place 5
- Second Place 4
- Third Place 3
- Fourth Place 2
- Fifth Place 1

Age Groups, Championships: Points earned in age groups will be accumulated by the age of the rider, NOT by the title of the age group: i.e., a rider who is 16 may enter a 17 years and under class and a 14 through 17 years class. Points won in these classes will be recorded under the rider's appropriate age group classification in which a trophy is offered. Points accumulated in championship classes will be recorded under the rider's or horse's appropriate age group classification in which a trophy is offered.

Qualifying Classes and Championships Points: Wins will count toward high point awards only in those classes named the same as those listed as High Point Trophy classes. Qualifying classes and their subsequent stake/championship wins will count toward the appropriate high point trophy with points won in a championship added to points earned in the qualifying class.

Classes Ineligible for Points: Points will not be awarded in classes that qualify entries or eliminate winners from further competition, i.e., state futurities, Shatner, Saddle & Bridle Hunter, Medallion, USEF Medal, UPHA Challenge Cup, Good Hands, Maiden, Novice, etc., unless otherwise specified.

Age Certification: The Show Manager has the right to request a copy of the birth certificate of any member whose age (as it relates to class requirements of competition) is questioned in writing by another member.

Transfer of Horse: If a horse is sold prior to the last show of the season, points already awarded go to the new owner (providing he is a member, if not, original owner retains the points). When a horse is sold after the last show, points remain with the previous owner.

Two special year-end high point awards will be given at the annual awards banquet for horse and exhibitor combinations: one for an exhibitor who is 17 or under and one for an exhibitor who is 18 or over. This is a performance team effort award. Points toward this award will count from all performance riding, driving and halter classes. Showmanship and equitation do not count.

RULE 7

US EQUESTRIAN FEDERATION RULES (USEF)

Any matter not specifically covered by the IASPHA Rule Book will be handled in accordance with current US Equestrian Federation rules. PLEASE NOTE: Some IASPHA rules and USEF rules have slight variances. At a recognized USEF show, USEF rules will take precedence unless the premium list specifically states otherwise.

RULE 8

VIOLATIONS, PROTESTS, HEARINGS AND PENALTIES

Part 1. Violations

Violations shall mean violation of the rules of IASPHA, failure to obey any penalty imposed by the association, or any act against the best interests of the association.

Part 2. Protests

Any voting member of the association or parent of a junior member may file an official protest with the association. The protest must be in writing and signed by the person making it. It must contain a complete statement of the acts which constitute the alleged violation. The maker must be prepared to attend a hearing and present witnesses and/ or evidence to substantiate the protest. It must contain the name and address of the accused and the name, address and phone number of the maker. It must be accompanied by cash, a certified check or money order payable to IASPHA, in the amount of twenty-five dollars (\$25.00), or it will be disregarded. It must be sent to a member of the Hearing Committee within forty-eight hours of the alleged violation. If the protest is sustained, the deposit shall be returned to the protester, if not sustained, it shall be forfeited to the association.

Part 3. Hearing Committee

Sec. 1

The Hearing Committee shall hear protests and charges in connection with alleged violation of the rules, consider the evidence, render final decisions thereon and determine and impose penalty. In the event a protest is made at a show and in regard to an alleged violation at that show, the hearing may take place at the show if all involved parties, as well as the Hearing Committee, are present.

Otherwise, a hearing shall be held within thirty days of receipt of an official protest and after ten days notice to the accused. The notice shall inform the accused of the alleged

violation and shall state the time and place of the hearing. Accused persons may attend at their option and bring witnesses in their behalf.

Sec. 2

The Hearing Committee shall have the power to revoke points won illegally and to suspend members for a period of up to thirty days. If a member is found guilty of a rule violation more than one time, the Hearing Committee shall refer this matter to the Board of Directors who may, at their discretion, suspend the member or revoke his membership or turn the matter over to the Hearing Committee of the US Equestrian Federation.

RULE 9

AWARD OF MERIT

There are many ways in which the American Saddlebred Horse can be used (ie nursing home visits, parades, local demos). Any Saddlebred horse making an outstanding performance in such activities may be nominated by an IASPHA member. The finalists for the Award of Merit will be voted on at the annual brunch in November.

ASHA STATE CHAMPIONSHIP AWARD FOR ILLINOIS

Each year IASPHA will sponsor the ASHA State Pleasure Horse Awards in the following Divisions: American Saddlebred Adult Exhibitor 3-Gaited Show Pleasure Horse, Junior Exhibitor 3-Gaited Show Pleasure Horse, Adult Exhibitor 5-Gaited Show Pleasure Horse, Junior Exhibitor 5-Gaited Show Pleasure, Adult Exhibitor Country Pleasure Horse, Junior Exhibitor Country Pleasure, Show Pleasure Driving Horse, Country Pleasure Driving Horse, Hunter Pleasure, Western Country Pleasure Horse and Park Pleasure. Horses must have accumulated a minimum of 25 points at designated Illinois shows during the year.

SHOWMANSHIP AT HALTER

The opportunity to show a well-groomed and properly fitted horse in top condition is a most rewarding experience.

Be neat, clean and appropriately dressed for the class.

ATTIRE

Correct attire consists of jods or neat dark slacks, long sleeve shirt, tie, boots and vest (no coat) or proper western attire. Hats and gloves are optional. Clothes and person should be neat and clean.

EQUIPMENT

For Weanlings - leather show halter with matching lead strap.

For Yearlings - leather show halter or snaffle bridle with matching lead.

For 2 Yr. Olds and over - double bridle or curb alone. When a double bridle is used the snaffle rein may be removed but not the snaffle bit. When the snaffle rein is not removed it must be placed over the horse's withers and not held in your hand. The horse is led and presented with the curb rein only.

A riding crop is permitted but no appendages may be used (such as plastic or ribbon). No aids, such as noisemakers, clumps of grass, clickers, etc. are permitted.

Demonstrate your ability to properly handle and show your horse.

Do not try to show a horse at halter until you are sure you can control him.

Show your animal to the best advantage - recognize the conformation faults of your animal and show it to overcome these faults. Handle your horse with authority, but do not excite him. Never be rough or strike your horse in the ring. Be natural. Over-showing, undue fussing and maneuvering are objectionable.

Class Procedure

Enter the ring at the gait requested by the judge and lead in the direction indicated by the ring steward until the judge requests that the horses line up for inspection.

Leave at least 10 feet (approximately 2 horse lengths) between your horse and the nearest other horse both in circling the ring and in the line-up.

When showing in line, hold the lead shank or rein in your right hand about 12 to 24 inches from the halter or bit. The other end of the lead strap or rein should be doubled in the left hand. You may change hands if it is more convenient to put your horse in position or in showing to the judge. Try to attract the horse's attention to the front so he puts his ears forward.

Your body position should be balanced over your legs to permit free movement to stay out of the judge's way and to properly present the horse. Freedom of movement and a flexible position to work the horse is essential. Any movement should look fluid, not stiff or rigid. The judge should penalize awkward or exaggerated position.

Move the horse's feet by pulling or pushing on the lead or rein as necessary along with putting your hand on his shoulder exerting pressure as needed. Never use your feet or crop to move your horse's feet.

Stand facing the horse or in front of him and face him in such a way as to be able to see the animal and present a full view of the horse to the judge. Do not be distracted by persons or objects outside the ring.

Stand the horse as straight as possible with weight distributed equally on all four feet. When standing, the horse's hooves should point straight ahead. Be careful not to stand the horse in a low place.

The standing position of the American Saddlebred is with his front legs straight under him and hind legs back slightly, the park position. Do not over-stretch your horse. His head should be up; neck arched and ears forward, looking at the crop or you.

The exhibitor must look both at the horse and keep an eye on the judge, being careful to stay out of the judge's way. The exhibitor should be on the opposite side of the horse from the judge at all times even when the judge is down the line or looking at another horse. Watch the judge carefully for instructions, and follow promptly and sharply. Do not be afraid to adjust or mildly correct the horse even when the judge is checking your horse.
To be penalized: Using a foot or a whip to move the horse's feet.

In moving the horse, stand to the horse's left and move off on a loose rein if possible. You may lightly touch the horse with your crop to start him, if needed. Move out briskly and try not to let the horse move out of a straight line. When moving away from the judge, keep the horse in line with the judge so that he may see the horse's movement without

moving himself. Walk or trot your horse from the horse's left side. Bring your horse to a complete stop at either end of the line before turning him. When turning at the end of the line, turn him to the right, or away from you.

When the judge is observing other horses, let your horse stand, if posed reasonably well.

Respond rapidly to requests from the judge and officials. Be courteous and sportsmanlike at all time. Keep showing until the entire class has been placed and the judge has submitted his card.

Showmanship Pattern (a judge may ask for a variation of this basic pattern):

JUDGES SHOULD CREDIT:

- Following instructions promptly
- Sharpness of presentation
- Awareness of what horse is doing
- Control
- Appropriate attire
- A well-groomed, well-presented horse -
i.e. keepers out, twisted cheek pieces, etc.
- Correct equipment

JUDGES SHOULD PENALIZE:

- Incorrect or dirty attire
- Poorly groomed & trimmed horse
- Incorrect equipment
- Dirty equipment
- Improperly adjusted equipment
- Overuse of crop or reins
- Interfering with other exhibitors
- Over coaching from outside the ring
